**Welcome:** President Jan Knock called the meeting to order.

**Introductions of Guest and New Members:** There were nine members present. No new members or guests.

**Reports:**

Treasurer report was handed out and reviewed. More expenditures this month than normal.

Savings balance \$5,000.63

There was a discussion as to whether some of the savings' balance should be moved to a CD. Deb Gaskins, Treasurer was going to investigate possibilities and report back next month.

Nora Hudson recapped her efforts in contacting members that hadn't renewed for 2022.

It was mentioned that when an email address or new membership is received, it needs to be passed along to Diana Ronk to be entered into the master worksheet for possible future contact.

By-Law review was tabled until the authors (Phyl Olson and Don Corrigan) were available for comment.

Weekday walking – Susan has August dates setup and published. She is looking for volunteers for Sept, Oct, and Nov.
